FAMILY CAMP WEEK-END

Fifteen families enjoyed three glorious days at Wawayanda over the past Labor Day week-end. With a program chucked full of swimming, boating, fishing, ball games, crafts, riflery, archery, hiking, kiddie parties, campfires, stunts, bridge, ping pong, singing, and many other camp activities, there was never a dull moment. The program was set on a "take-it-or-leave-it" basis so some enjoyed just relaxing without the worry of preparing meals, fighting traffic, dressing up, etc. Goldie's cooking again hit the spot and everyone seemed to eat heartily.

Why not plan to be with us next Labor Day week-end? We can only take 24 families and it will be on the "first come, first served" basis. Sign up now by sending in a \$5.00 registration fee listing by names and ages your family who will attend.

DATES - Friday, August 30 - Monday, September 2, 1957 (3 full days)
RATES - Adults - \$16.00 Children (12 and under) - \$13.00

Second Half	- August 4th - August 17th	75.00
FULL SEASON	- June 23rd - August 17th	\$280.00

Now is the time to sign up for 1957. Last year, we were filled long before camp opened. So many boys had to be turned away because of lack of space. This year, in order to give former campers opportunity to reserve the place of their choice, we have included an application blank. Fill it out and send it in now so as to be sure of a space in camp next season.

You will note that the camp fees have been raised slightly over last year. This is the first raise since 1951 even though the costs have continued to rise during that period. The Camp Committee voted to use one-half of this increase for leadership staff salaries and one-half to offset higher operational costs. This will enable us to continue and even raise the high quality of leadership at Wawayanda providing more remuneration for the college men who work with your boys.

LEADERSHIP

Believing that leadership is the most important single factor in camping and knowing that the counselor in the cabin group has a direct influence on the lives of campers, Camp Wawayanda spends much time and a large portion of its budget in securing the best in camp staff and counselor leadership. Our emphasis is on the cabin counselors and we strive to put men into these positions who have a real concern for and interest in boys and who will lead them through their instructions and through their personal example of Christian living.

Twenty-five (25%) per cent of our total budget is for program leadership salaries which enables us to secure mature, competent Christian college students and graduates to lead your boys during their camp stay. You will be interested to know that of our 27 cabin counselors, 19 were between 18 and 20 years of age and eight were 21 years of age and over. Twenty-two different colleges were represented on our total program staff (including counselors) and the average age was 22½ years. Good leadership pays off in good camping experiences for boys. Your suggestions of high calibre young men for our staff would be greatly appreciated.
